### General assessment criteria

---

The general assessment criteria that will be taken into account for employment under the SHP are those included in point 7 of the Government Agreement of May 16, 2017, which approves the Serra Hùnter Programme for the period 2016-2020 and the characteristics are specified and also indicated in the general regulations governing the call for applications.

The selection committee will evaluate the document 'Teaching and research interests of the applicant in the next five years'

The criteria set by the Commission must be quantified and weighted to ensure the objectivity of the valuation.

The selection committee must evaluate the criteria only taking into account those that are appropriate to the profile of the position established in the call.
